

SAIF chooses The Fuelcard People

— Members to gain fuel cost savings, service and security —

The National Society of Allied & Independent Funeral Directors (SAIF) has chosen The Fuelcard People as its strategic fuel cards partner to help members reduce and control their vehicle running costs. Alun Tucker, SAIF acting chief executive, said: Our members will benefit from significant savings, from lower fuel costs and a reduced administrative workload. There should be more to fuel cards than simply discount fuel and we selected The Fuelcard People as offering our members the best combination of savings, service and security."

As a SAIF member you will enjoy fixed weekly pricing for petrol, diesel or both, notified by their choice of email or fax. This price, typically **3p to 4p per litre below national average pump prices, and over 10p per litre on the motorways**, applies nationwide. In addition, the single weekly invoice gives them up to two weeks of free credit before their direct debit payment.

SAIF members will not have to hunt around for the best deal on fuel, because they already have it. Depending upon which of our wide range of fuel cards they choose, there are up to 1,500 filling stations nationwide where they can refuel. We offer fuel cards which are **accepted at BP, Esso, Shell, Texaco, Q8, Jet, Gulf, Spot, Murco, Morrisons, Somerfield and Moto filling stations.**

As a SAIF member you will also welcome The Fuelcard People's attitude to customer service we do not push members towards any particular fuel card, but help each one to choose the most appropriate one for their needs. If a member has a query, they do not have to explain who they are to an anonymous call centre operator, because they always talk to the same account manager, who knows their business.

Members are also able to access their account details 24/7 via the Internet, including transactions which are yet to be invoiced, and can download information directly into standard business packages. Access is security protected, part of a suite of leading-edge security features available with every fuel card in The Fuelcard People's extensive range.

You will find that applying for a card could not be simpler, by calling The Fuelcard People on 0871 598 0230, or complete and return the details below or online by clicking "[here](#)".

Yours sincerely
