

Morris Brothers Funeral Directors - Tavistock

We can certainly say the day was a success although the turnout was not as high as was expected we got only 15 people during the day all of which were very impressed with our premises and the information we were able to give them.

We sent out 50 personal invitations to Solicitors, Doctors, Clergy and Nursing Home Staff and also did a large advert in our local paper for the 2 weeks prior to the open day so were surprised at the low turn out.

The Open Day certainly gave us chance to advertise ourselves and we feel this alone was beneficial.
